Souvenir Program 25c

6th Annual All-Star Game

NORTH vs. SOUTH

BARNITZ FIELD
Middletown, Ohio

AUGUST 11, 1951

Welcome . . . .

Middletown is happy to be host to the Ohio North-South Annual Football Game. We take pleasure in extending a cordial welcome to the boys from the various high schools of Ohio who represent the best in athletics. We hope their stay here may be a pleasant one and that the game may be enjoyable to them as well as to all who come as spectators.

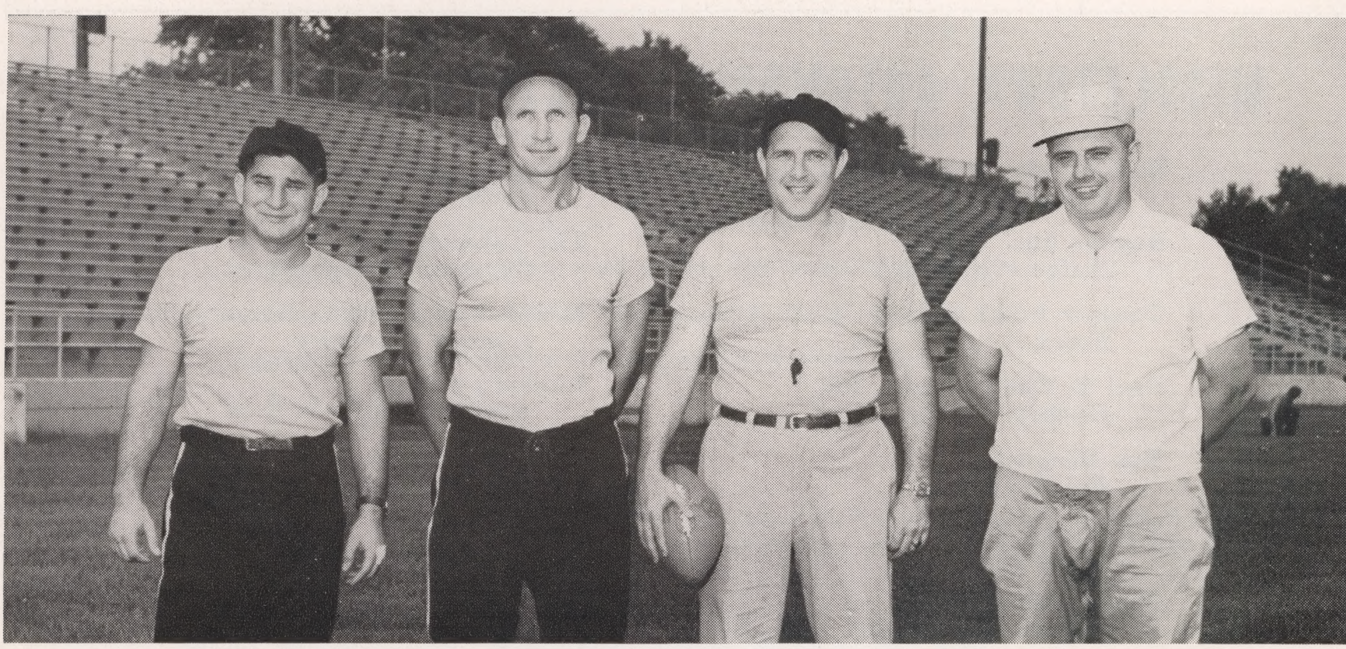

We are also happy to welcome the many parents and friends of these boys who have come from distant places to witness this annual classic. We hope the game may be worth the effort that they have exerted to get here, that their stay in Middletown may be a pleasant one, and that their journey home may be safe.

Americans, generally, are sport-minded. They are especially interested in amateur sports. In the interest of good, clean amateur sports, every participant on the field and every spectator in the stands plays a part; and that part is to see that nothing is ever done at any time or in any manner that would reflect upon the high standards of amateur athletics in Ohio, or upon any individual who may be interested in it. In this spirit, we hope that the North-South Game on August 11 will be a red letter day for all of us, that those who play may enjoy it, and those who view it may enjoy it to the fullest extent, and thus set a high standard for all the schools in the state to follow.

On behalf of the Board of Education and the High School Athletic Association, who are the sponsors of this event, again I bid you welcome, and win or lose, we hope that each team and all the coaches will have a profitable experience together here in Middletown.

WADE E. MILLER,
Superintendent of Schools

Now Officially Adopted

BY COLLEGE, JUNIOR COLLEGE AND HIGH SCHOOL LEAGUES

FOR VARSITY PLAY

After 1950-51 testing, a great many leagues have officially adopted the Voit XF9 for game play. In addition, hundreds of other schools will play one or more varsity games to prove to themselves these 3 tremendous advantages of Voit over other footballs:

1. DRY FIELD....XF9—Better passing and handling. Kicks same as leather.
2. WET FIELD....XF9—Vastly superior passing and handling (does not get slippery). Eliminates bad kicks also caused by slippery ball.
3. WET or DRY....XF9—Never varies from original perfect weight, size shape, performance.

HAVE YOU TRIED — VOIT'S XB20 CUSTOM BASKETBALL

Absolute perfection of performance for 3 times normal playing life.

☆ ☆

HELLO FOOTBALL FANS:—

Middletown is indeed fortunate to be selected as host to the 1951 North-South All-Star Football Game.

I wish to welcome the visiting coaches and players to our city, and I hope their visit here is pleasant and enjoyable.

To all the fans, both visiting and local, may you enjoy the game with its rivalry and wholesome sportsmanship, regardless of who wins or loses.

When you leave the stadium take your time, drive carefully and sanely, that you may arrive home safe and sound. May all your memories of the game be pleasant and not marred by the unpleasant remembrance of tragedy caused by thoughtless or careless driving.

OHIO HIGH SCHOOL FOOTBALL COACHES ASSOCIATION

President—Dick Barrett Secretary—"Ducky" Schroeder

Vice-President—Mack Pemberton

A WELCOME HOWDY

★ ★ ★ ★ ★

Middletown's avid interest in high school athletics is sharply reflected in the sometimes-crazy antics of the Quarterback Club.

These male members of the species have made a "big deal" out of what some coaches feared would be an "ordeal" in getting up before the downtown Quarterbacks every Monday noon and trying to explain, "What happened?"

It usually turns out to be a lot of fun. Some coaches have gone into the luncheons with their chins sagging on their shoetops after a particularly disastrous weekend. They've been seen to emerge through a skylight and walk away high in the clouds, smiling and blissful.

Nobody collects dues and nobody calls the roll when the Quarterbacks get together, but they do get organized twice a year to throw parties for the Middie football and basketball squads which have been classified by folks around here as the kind "you don't dare miss."

The Quarterbacks are just rootin', tootin' Middie fans who are not averse to handing out credit to the opposition, either.

And all the while they're having fun, most of them are surprised to discover how much valuable knowledge of basketball and football fundamentals they've picked up.

They will all be watching tonight as Ohio's finest collection of football stars performs in Barnitz Stadium.

Their only regret will be that they can't have the coaches on hand Monday to answer the inveterate question—"What happened?"

from

The Quarterback Club

D. R. Baker

Middletown is very happy to be the host for the annual Ohio All-Star Football Game. We are glad to welcome the many coaches, players and supporters of this event and sincerely hope you will thoroughly enjoy your visit here.

This game has become one of the outstanding athletic contests of the year and it is an honor for this city to be selected for the first game played in Southern Ohio. We are looking forward to a fine ball game and the opportunity of seeing some of Ohio's finest high school players in action.

PENNSYLVANIA
Pennbilt FOOTBALL

SANCTIONED FOR OFFICIAL INTERSCHOLASTIC PLAY BY THE NATIONAL FEDERATION OF STATE HIGH SCHOOL ATHLETIC ASSOCIATIONS

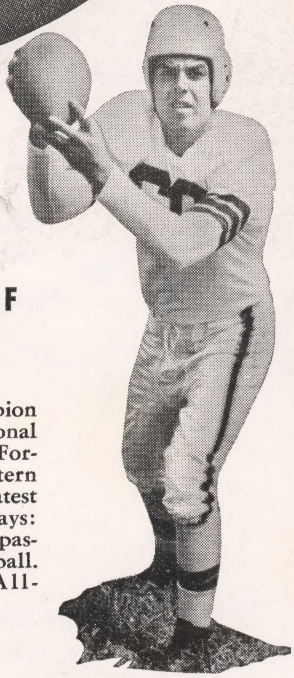

COACHES

. . . by mutual consent, and following suggestions laid down by The National Federation Of State High School Athletic Associations . . . may place this ball in play in varsity interscholastic and league games.

This proof of quality has been won by Pennsylvania on the basis of top playing performance and consistently high manufacturing standards.

OFFICIAL SIZE, WEIGHT PERFORMANCE

100% WATERPROOF

OTTO GRAHAM

Quarterback of the world champion Cleveland Browns of the National Professional Football League. Formerly All-American at Northwestern University and one of the greatest passers of modern football, says: "For fast, sure-handling, accurate passing, I like the Pennsylvania football. It comes through like an All-American."

LOU GROZA

Star tackle and famous place kicker of the Cleveland Browns. His kicking efforts of thirteen field goals during regular season play smashed a 25-year National Professional League record. He then kicked two deciding field goals to win the play-off spot in the league for the Browns, and in the championship game kicked his sixteenth field goal of the season in the final twenty seconds to score the deciding points of a brilliant victory. "I have tested the Pennsylvania football and from my experience this ball "feels" right, gives true-flight, accuracy and distance, and outstanding all-around performance comparable to any ball I have ever played."

Getting the facts firsthand

That's one of the qualities that has made these boys playing here tonight All-Stars. They got the facts on how to play football first hand.

But just "getting the facts first hand" isn't enough to produce a winning combination. It takes teamwork—and these boys know how to work smoothly with their mates.

It's that way at Armco, too. Armco men got the facts about making fine quality steel first hand. But, like in sports, Armco men know it takes more than knowledge—Armco men know how to work smoothly with their mates . . . . it takes real co-operation and teamwork to bring success in business.

ARMCO STEEL CORPORATION
